As a way to more easily identify which days household trash, recycle, yardwaste, and bulk trash will be collected, the above calendar was created from a computer the City received. In addition to looking at the upper-left hand corner of the calendar, it is advised that the "Section" applicable to the proper the other side of this calendar has a listing of City streets/developments with the corresponding "Section" listed beside each street and development. Simply identify the street or development, then follow the trash and recycle collection dates applicable to that Section.
