Welcome to Delaware Campaign Finance! We hope you will find this information helpful.

Any political committee created for the purposes of supporting the election of a candidate, by contributing and expending funds that exceed \$500 during an election cycle, is subject to the requirements contained under Delaware Code Title 15, Chapter 80. Also contained therein are the responsibilities in reference to legitimate contributions, expenditures, report filings, the penalties associated with tardy report filings, and responsibilities of candidates and treasurers, where applicable, for keeping committee records updated with the Office of the State Election Commissioner. Updates to the law occur frequently, and because of this, it is best to refer to the Delaware Code, Title 15, for the most up to date information:

<http://delcode.delaware.gov/title15>.

The Campaign Finance Reporting System (CFRS) online is where you will file all of your financial reports for your committee. A training manual on how to use the system is also available on the CFRS website at <https://cfrs.elections.delaware.gov>. Keep in mind that late fees for tardy reports and non-filing accrue at a rate of **\$50.00 per day** (including weekends and holidays). Failure to file your report and pay outstanding fines or file an appeal to the Commissioner within thirty (30) days will cause the State Election Commissioner to notify the Office of the Attorney General (15 Del. C. §8044). **Fines are not authorized campaign expenditures, and are the personal responsibility of the individual reporting parties fined.**

Who must file (15 Del. C. §8005):

Political Committees (15 Del. C. §8002(19)):

a. Any organization or association, whether permanent or created for the purposes of a specific political campaign, which accepts contributions from or makes expenditures to any candidate, candidate committee or political party in an aggregate amount in excess of \$500 during an election period, not including independent expenditures; and

b. All political parties and candidate committees.

➤ **Political Party (15 Del. C. §8002(20)):**

"Political party" means an organization eligible to be listed on any general election ballot under § 3001 of this title, or any other organization which desires to be listed on any ballot on any election, and any constituent part of such party which receives contributions and makes expenditures. For purposes of the contribution limits of subchapter II of this chapter, a "political party" includes all constituent parts of such party, including the statewide, county, regional, municipal and district committees, all finance committees and all other committees, subdivisions and organizations related to the political party.

➤ **Candidate Committees (15 Del. C. §8002(2)):**

"Candidate committee" means each political committee formed on behalf of a candidate for public office.

➤ **Political Action Committees (15 Del. C. §8002(18)):**

"Political action committee" means a political committee which is neither a political party nor a candidate committee.

- Third Party Advertisers (15 Del. C. §8002(27)):
"Third-party advertisement" means an independent expenditure or an electioneering communication.

All committees must keep their Statement of Organization information up-to-date, including treasurer name, contact numbers, addresses, and email addresses. (15 Del. C. § 8005(1), (2); 15 Del. Admin C. §100.5.3). Email addresses in the Statement of Organization will be used for official notifications.

Who is responsible for filing reports (15 Del. C. §8030):

- Candidate Committees (15 Del. C. §§ 8003(e), 8005).
The candidate and the treasurer are jointly responsible for filing reports. If the treasurer of a candidate committee resigns, the candidate remains responsible for filing the reports.
- Political Committees (including Candidate Committees and Political Parties), Political Action Committees, and Third Party Advertising Committees.
 - The treasurer is responsible for filing reports. If the person identified in the Statement of Organization as the treasurer is no longer serving as treasurer, the committee must file an amended Statement of Organization within 7 days designating a replacement treasurer. (15 Del. C. § 8005(2)).
 - If the committee fails to amend its Statement of Organization to name its new treasurer, other officers may be deemed liable for the failure to file reports, and the committee may be referred to the Office of the Attorney General for criminal prosecution. (15 Del. C. § 8043(a)).

When to file (15 Del. C. §8030(b), (c)):

- Political Committees and Political Action Committees must file 30 Day and 8 Day reports in primary and general elections.
- Candidate Committees must file 30 Day and 8 Day reports in any election in which the candidate's name *appears* on the ballot. The filing deadlines for Primary and General elections are contained on the reporting period chart. The Commissioner will notify your committee of filing deadlines for all other types of elections (municipal, special, school board) upon notice of candidacy.
- In addition, all Political Committees must file an annual report every year until the Committee files a closeout report. The annual report for 2016 is January 20, 2017. This requirement does not apply to Third Party Advertisers (15 Del. C. §8031, 15 Del. Admin C. §100.9).
- The Commissioner may grant one 24-hour extension of a filing deadline upon written request by *email* (coe_campaignfinance@state.de.us) or fax (302-739-6794) no later than 11:59 pm on the date the report is due (15 Del. C. §8044). A form requesting an extension is available on the Commissioner's website (elections.delaware.gov).

Closing a committee (15 Del. C. §8022, §8030):

- Any committee wishing to close must file a *year-end close out report to close* the committee. This requirement does not apply to Third Party Advertisers.
- Current office *holders* may close their candidate committees but should not if they expect to receive contributions or make expenditures while in office.

If you do not timely file your complete report (15 Del. C. § 8044):

- An incomplete report is a late report. The Commissioner will impose fines of \$50 per day upon each reporting party (including, for candidate committees, both the candidate and the treasurer) until the report is complete.
- If you do not timely file your complete report, the Commissioner shall notify you one time in writing within two days following the filing deadline.

Appeals (15 Del. C. §8044):

- If you are assessed a civil fine, and you believe that you have reasonable cause for the untimely filing, you may request an appeal before the State Election Commissioner. Filing an appeal will not stop fines from accruing.
- You must request your appeal within 30 days of the receipt of the letter notifying you that you failed to timely file a complete report.
- A form for requesting an appeal is on the CF website <https://cfrs.elections.delaware.gov>. You must provide an explanation of reasonable cause and you may include documentation of that reasonable cause. The Commissioner may request additional information and may schedule one or more meetings to discuss your explanation of reasonable cause. The Commissioner will make a written decision based on your explanation of reasonable cause, any documentation submitted, statements you made during the meeting[s] with the Commissioner, if any.

After the appeal period has ended or appeal process is complete (15 Del. C. § 8044):

- If you do not appeal the Commissioner's decision that you did not timely file a complete report, or if you did file an appeal and the Commissioner did not find reasonable cause for your failure to timely file a complete report, the Commissioner shall send your file to the Office of the Attorney General to commence collection efforts.
- Once the Commissioner has sent the file to the Office of the Attorney General, the Commissioner will not speak to you directly about your fines; all communications must go through the Office of the Attorney General.

Criminal Sanctions (15 Del. C. §§ 8043, 8044):

- If you do not file your complete report within either 30 days after a determination by the Commissioner that your failure to timely file was not due to reasonable cause or the expiration of the 30-day appeal period described above, the Commissioner shall notify the Office of the Attorney General of your failure to file such complete report.
- The failure to file your complete report within the time frames listed above may result in criminal sanctions. Offenses include but are not limited to:
 - Violation of Section 8003 (class B misdemeanor) – failure of a candidate to timely file reports, failure to name a treasurer.
 - Violation of Section 8004 (class B misdemeanor) – failure of a candidate for school board to timely file CF reports where the candidate's committee contributes or expends more than \$2000.00.
 - Violation of Section 8005 (class B misdemeanor) – failure of a political committee to timely amend its Statement of Organization to reflect changes in its officers and to timely file its reports.
 - Violation of Section 8043 (class A misdemeanor) – failure of a candidate, treasurer or other person required to file reports to file a report at all.

² If a company, partnership or LLC is controlled by an individual or corporation, they are required by Delaware law to disclose the ownership to the recipient committee in order to determine if an over contribution might occur. You may use the form to verify if an over contribution occurred and you have no information concerning such contributions. You would request completion of this form from the contributor.

Your Guide To Filing Campaign Finance Reports

New Committees

Both the treasurer and/or candidate, where applicable, will receive an email with their login and password after registering a committee upon activation. To have your committee activated, the Campaign Finance Section of the State Election Commissioner's office must receive your original, signed and notarized Statement of Organization. Once the process is complete, you may follow the instructions below to begin filing your Campaign Finance Reports.

Previously Established Committees

For committees that are previously established but have not filed a report in CFRS. Both the treasurer and/or candidate, where applicable, need to reconnect to the committee prior to filing, even though only one officer is required to file a report. To reconnect, go to the CFRS homepage and click on the **Reconnect to your Committee** icon located on the lower right portion of the page. It only takes a minute to activate your username and receive an email with your login and password. You will be prompted to provide your committee's Legacy account number during this process. If you do not know your account number, you may contact the Campaign Finance Section at (302)739-4277. Once the treasurer and candidate have reconnected and received the login and password, follow the instructions below to begin filing your Campaign Finance Reports.

**NOTE: Only the registered treasurer or candidate can file Campaign Finance Reports.
If you are a data entry user, you will not be able to file a Campaign Finance Report.**

1 Login to the system using your credentials.

cfrs.elections.delaware.gov

2 Enter transactions by clicking the appropriate link on the left menu.

3 Click 'Edit / File Pending Transactions' from the left menu.

To view all transactions that have been entered for the current filing period, click **Search**. You may view, edit or delete individual transactions as well as view any compliance issues here. If the compliance flag  is red, click on it; the system will then alert you to the issue that exists for the selected transaction.

If you have compliance issues that you do not agree with, you may proceed with filing and subsequently contact the Campaign Finance Section of the State Election Commissioner's office to resolve them.

4 File a Campaign Finance Report.

Once you have clicked **Search** on the **Edit / File Pending Transactions** screen, you will notice a number of buttons placed below the search grid. You may **Preview Filing** or file a Campaign Finance Report by clicking

File All to State

This will file ALL transactions to state. When prompted with "Are you sure you want to file all pending transactions to the state?" click **OK**. On the **Cash Balances** screen, enter your beginning balance (if different from system calculated amount) as well as the ending balance. If you enter an amount different than the system calculated balance, this will be noted as a difference to be reconciled prior to the next Campaign Finance Report. In the authorization section, you must check the box below your name before you can continue. For Candidate Committees, the candidate need not be present should you, the treasurer, file the report. You may still continue by leaving the other officer's section blank and vice versa. They will receive a notice on their **Reminders** screen to verify the filing submitted by you.
