

The City of Lewes

**New Road Master Plan
March 27, 2019, 6:00 p.m.
Lewes Public Library**

The meeting will include a brief presentation at 6pm on the primary issues where your input is needed to enable the project team to develop draft recommendations for public review in the Spring. Following the presentation, planning team members will be available at individual tables to discuss the following issues where more input is needed:

- Gateway recommendations for New Road from Coastal Highway/Nassau Rd to Black Hog Gut
- Options for the New Road/Old Orchard Intersection (and additional traffic calming at Kansas)
- Considerations for the planned bridge over Canary Creek
- Options for New Road between Park Road and Fourth Street
- Multi-use Trail and Bicycle/Pedestrian facilities along New Road
- Landscape and Context Sensitive Design Guidelines (with Lewes Historic Byway committee members)
