News from the Chief:

- Patrolman First Class Casey Crapps was selected to serve as the Department's new Detective replacing newly promoted Corporal Jonathan Moyer. Detective Crapps brings a wealth of experience and a very strong desire to investigate crimes to this position which took effect on December 1st.

- The City of Lewes Police Department would like to introduce Ken Huff as our newest Police Officer hire. Ken, his wife Kate and their 2 children, ages 10 and 7, relocated to Lewes to continue his career in policing. Ken is a native of the State of Arizona and has been a certified police officer in the State of Colorado for the last 12 years. His last assignment was with the City of Arvada where he spent approximately 10 years as a patrol officer and achieved the rank of Sergeant with the Arvada Police Department. Ken has extensive training in the law enforcement field and is a certified firearms instructor, an accident reconstructionist and spent several years as a motorcycle officer.

Ken will be training internally and at various sites throughout the State over the next few months to obtain his Delaware Council on Police Training Certification. Once received, he will be officially sworn in as a Lewes Police Officer and then undergo a short field training program to familiarize him with our systems, processes and community.

Please join me in welcoming Ken!

Additionally, we would like to congratulate Corporal Jonathan Moyer on his graduation from the DSP Leadership Development Program(see below)

Our Police Department also provided high visibility patrols for our Chamber of Commerce Hospitality Night, the Lewes Lights opening celebration and the Christmas Parade. We would like to thank the Lewes Fire Company Fire Police and DeIDOT for their assistance!

The Lewes Police Department is pleased to announce that Corporal Jonathan Moyer has recently graduated from the 16th Delaware State Police Leadership Development Program on November 19th !

Corporal Moyer spent three weeks in November honing his supervisory and leadership skills alongside 24 other Delaware Law Enforcement agency personnel. These skills and lessons learned will positively impact the quality and delivery of services the Lewes Police Department provides to our community for years to come.

A special thanks to Colonel Melissa Zebley, the entire Executive Staff of the Delaware State Police and especially Major Sean Moriarty for including your municipal partners in this great training.
